VIRGINIA'S

SALE

SATURDAY, NOVEMBER 2nd

Staunton, Virginia

PUREBRED SALES PAVILION

35 HEAD

Tomahawk, 1945 International Grand Champion Steer with field force of American Shorthorn Breeder's Ass'n.

Virginia - West Virginia
Shorthorn Breeders' Assn.
 ☆ SALE ☆

November 2nd, 1946 — Staunton, Va.

●
 ASSOCIATION OFFICERS

JOHN L. Turner, Broadway, Va.....	President
H. B. WILSON, Lewisburg, W. Va.....	Vice-President
PROF. R. E. HUNT, V.P.I., Blacksburg, Va.....	Secretary-Treasurer

Information for The Buyer . . .

TIME: Saturday, November 2, 1946. SHOW 10:00 A.M. SALE 1:00 P.M.

LOCATION: Purebred Sales Pavilion, Staunton, Va. The pavilion is on Route 11, about 3 miles north of Staunton.

SALE HEADQUARTERS: Hotel Stonewall Jackson, Staunton, Va.

GUARANTEE: All cattle have passed a negative test for Tuberculosis and Bang's disease within a period of 30 days prior to the sale, and proper health certificates will be furnished. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd when under 20 months of age. If a bull fails to breed he may be returned to the seller, if in as good condition as when bought and if after a test in the seller's herd he still fails to breed he will be replaced or the purchase money refunded. All cows and heifers over 16 months at the time of the sale are guaranteed breeders. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. Animals returned to sellers because they do not comply with the guarantee will be at buyer's cost of transportation. The above guarantee shall constitute a contract between consignor and buyer of each lot. Neither the Sale Manager, Clerk of the Sale, nor Virginia-West Virginia Shorthorn Breeders' Association assumes any liability, legal or otherwise.

TERMS: The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All animals are at the buyer's risk as soon as bid off, but will not be released until settled for.

REGISTRATION: A certificate of registration with properly recorded transfer of ownership will be furnished for each lot sold, and an application for registry furnished for each calf sold at foot and for each unborn calf sold in dam.

MAIL BIDS: Those wishing to buy at this sale who cannot be present may send their bids to C. K. Tomson, Secretary of the American Shorthorn Breeders' Association, 7 Dexter Park Ave., Chicago, Ill.; to Hal Longley of the Shorthorn World, 16 So. Locust St., Aurora, Ill.; B. C. Snidow, The Eastern Breeder, Warrenton, Va.; or to the Sale Manager.

AUCTIONEER: J. E. Halsey, Des Moines, Iowa.

SALE MANAGER: Dan T. Cox, The Plains, Virginia.

Va.-West Va. Shorthorn Breeders' Assn.

PROF. R. E. HUNT, Blacksburg, Va., Secretary-Treasurer

The American Shorthorn Breeders' Association will reimburse any purchaser or group of purchasers, who buy and ship a carload of ten lots or more from this sale to one destination, up to a maximum of \$200.00. Shipment must be by rail and to a destination more than 300 miles from point of sale.

Catalog Printed by McCowat-Mercer Press, Jackson, Tennessee

**Virginia-West Virginia
SHORTHORN BREEDERS' ASSOCIATION**

Show — Saturday, November 2nd, 1946

10:00 a. m.

Judge

PAUL SWAFFAR, Richmond, Va.

Show Classification

For the purpose of this show, all animals have been divided into classes according to age and sex. There will be eight classes. Each sex will have a grand championship and a reserve championship. First prize animals in each class will be eligible to show for championships.

Class 1—Bulls calved before Jan. 1, 1946 (Lots 1-2-3-4-5)

Awards—1, 2, 3, 4, 5.

**Champion Bull
Reserve**

Class 2—Heifers calved before Jan. 1, 1945 (Lots 6-7-8-9-10-11)

Awards—1, 2, 3, 4, 5.

Class 3—Heifers calved between Jan. 1, 1945, and April 5, 1945

(Lots 12-13-14-15-16-17)

Awards—1, 2, 3, 4, 5, 6.

Class 4—Heifers calved between April 5, 1945, and May 1, 1945

(Lots 18-19-20-21)

Awards—1, 2, 3, 4, 5.

Class 5—Heifers calved between May 1 and June 1, 1945

(Lots 22-23-24-25-26)

Awards—1, 2, 3, 4, 5.

Class 6—Heifers calved between June 1 and Sept. 15, 1945

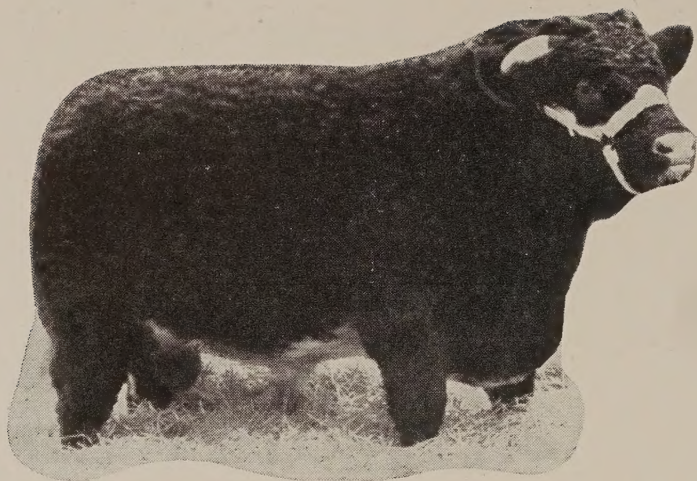

(Lots 27-28-29-30-31)

Awards—1, 2, 3, 4, 5.

Class 7—Heifers calved after Sept. 15, 1945 (Lots 32-33-34-35)

Awards—1, 2, 3, 4.

**Champion Female
Reserve**

The Ideal Type Shorthorn Bull

For two centuries the Shorthorn bull has played a dramatic part in the progress of every improved breed of cattle by lending to them his sturdier bone, greater constitution, superior ability to transform feeds into beef and increase milk production of his daughters.

This illustration will serve as a guide in selecting a herd bull. He represents superior modern type—low-set, deep and wide of body, blocky at both ends with a straight top and deep flanks. In fleshing quality he is smoothly, uniformly and thickly covered from shoulder points to pin bones. His good depth through the fore flank denotes stamina. Sex character is strongly pronounced in the shape and size of his head, neck and shoulders. He combines correct type with excellent breeding and evidences the ability to sire deep fleshed, early maturing calves.

				Red—R. G. Ratcliffe, Jr.

SUPERB MERCURY JR. is more like his sire than any calf he has sired to date. His dam produced the first prize junior heifer of last year's sale.

The Ideal Type Shorthorn Female

This ideal type Shorthorn female adds one more significant chapter to man's incessant attempt to make good things better. She illustrates the type that when mated to an outstanding bull, is one hundred percent able to maintain the excellence of the extreme tops in a leading herd. She is short-legged, heavy-fleshed, low-flanked, straight in her lines, well set on four good legs, wide across her top, full and deep in side and heart girth, denoting her constitution and feeding capacity. She has smoothness of flesh, is near to the ground, has an abundance of style and impressive character, and has the best of heads. Her refinement and femininity are denoted by her fine quality in hair, hide and head. The capacity for plenty of milk, so important in the development of rugged, early maturing calves, is also prominently indicated.

KENMAR CLIPPER 2d bred Aug. 12, 1946, to Sni-A-Bar Proud Mercury.

Shown here is 19-year-old Albert Fritzler of Sterling, Colo., with his grand champion group of three steers over all breeds at the 1946 Denver National Western Stock Show. Individually they won ch., res. ch., and 2d prize in the Shorthorn division, and res. gr. champion of the junior show of 1,000 steers of all breeds. They are from a load of 53 feeders, res. gr. ch. over all at the 1945 Denver show on which young Fitzler netted over \$10,000 profit in one year. He paid \$6,902.45 for the load. 16 head sold at the 1945 Chicago Fat Stock Show for \$10,638; 16 sold at Denver for \$3,688; another 19 sold on the open market for \$3,800 and two sold at the Fort Worth (Tex.) Fat Stock Show for \$1,578. Add another \$1,000 in prize money and you have a record of which any long-experienced feeder could be proud. **YOU CAN'T BEAT SHORTHORNS AS MONEY-MAKERS.**

A very significant part of the wealth producing ability of Shorthorns rests upon the cow herd. Cows like these are the backbone of efficiency of any herd. They combine pedigree, individuality, prolificacy and long life. They are reliable as regular producers of the kind of calves that go on into other herds contributing improvement and popularity for Shorthorns and bringing ever increasing wealth to the owners. There is real money in their uniformity of color and type.

The Table-Backed Kind

The bulk of the nation's beef is supplied by the commercial producer. Calves may be fed out at home or sold as feeder calves or yearlings to those who make a practice of feeding only. The use of good bulls for the production of feeders bears a direct relationship to prices received on the market just as it does in the purebred business. These came from a Montana herd which has built an unparalleled reputation by using good purebred Shorthorn bulls on commercial Shorthorn cows. They were bought as feeders at the Association's annual feeder sale in Billings, Mont., for an Illinois breeder. They are the type and quality which find ready buyers and bring top prices on open markets. Shorthorn feeders are in such demand that most of them are spoken for before they reach the public market.

Revamping the “Shorthorn Way”

The 96 bulls shown above are part of a purchase of 500 Shorthorn bulls by the Kern County Land and Cattle Co., Bakersfield, Calif., the largest ranching operation in North America, for a program of cross-breeding on 48,000 whiteface cows for their ranches in New Mexico, Arizona, and Oregon in order to RECOVER THE WEIGHT IN STEERS that has been lost annually by straight breeding. The Hall Cattle Co., prominent commercial cattle producers at Alliance, Nebr., credits 88 lbs. of extra weight on their steers sent to market off grass as yearlings, to the 50 percent Shorthorn bulls used in the herd. The H. Moffat Co., of Elko County, Nev., the West's largest combined meat-packer and producer uses SHORTHORN BULLS on 16,000 whiteface cows BECAUSE STEERS WERE BECOMING LIGHT-BONED from straight breeding. Many other large commercial producers are buying Shorthorn bulls for the same reason. They are finding increased PROFITS resulting from the GREATER WEIGHT AND EARLIER MATURITY of SHORTHORN BLOOD, best in every WEIGH.

SHORTHORNS *best in every* WEIGH!

This load of Shorthorn feeders, grand champions over all breeds at the 1946 Denver National Western, averaged 475 lbs. each, sold for 47 cents a lb., brought \$223.25 apiece, highest total price ever paid per feeder steer. They outsold by \$20 a head feeders of another breed of the same age which later brought 50 $\frac{1}{4}$ cents a lb. They were exhibited by the Winkler Sisters, Castle Rock, Colo., and sold to Albert and Ed Fritzler, Sterling, Colo.

A CENTURY of SERVICE

In 1846 the first American Shorthorn Herd Book came off the press under the persevering guidance of its compiler, Lewis F. Allen of Black Rock, N. Y., a kinsman of Grover Cleveland, twice president of the United States, who later, as a rising young lawyer of Buffalo, helped in the compilation of the second, third, fourth and fifth volumes. It was the first Herd Book in this country for any improved breed of cattle. It made its appearance 24 years after the first English Herd Book and recorded about 600 Shorthorns. The second book, appearing in 1855, included some 3,000 head. In 1946 the number of purebred Shorthorns in America since the first importation in 1783, will reach the three million mark.

More and more cattlemen are switching to Shorthorns because of their greater efficiency per animal unit — quicker maturity — greater natural weight at any given age, and ability to thrive on low cost feeds. In the last few years more active members have enrolled with the American Shorthorn Breeders' Association than with any other beef herd.

According to a recent survey by the NEW ENGLAND HOMESTEAD, the membership of the American Shorthorn Breeders' Association now outnumbers that of any other beef cattle breed association in this country.

In addition to the wide new markets created, further reason for our rapid growth is the savings in recording fees accorded to members. Every member upon joining immediately receives a 50 percent saving on all registration and transfer fees. NO OTHER CATTLE REGISTRY ASSOCIATION can match OUR LOW COSTS of MEMBERSHIPS, REGISTRATIONS and TRANSFERS.

A Life Membership costs only \$10 plus an annual due of \$1. In addition to reduced registry fees, your name goes on the lists of breeders sent to all prospective buyers as sources of supply, you have a vote in the election of delegates and directors, and best of all, your membership fee is PUT IMMEDIATELY TO WORK finding NEW BUYERS FOR SHORTHORNS —THE GREATEST BREED OF CATTLE ON EARTH. Send your check now and help boost your favorite breed. Write to

AMERICAN SHORTHORN BREEDERS' ASS'N.
